Zep Ring Master™
All Purpose Bathroom Cleaner
Clinging Formula

DESCRIPTION
An easy-to-use, water-dilutable bathroom cleaner that removes rust, scum, hard water deposit, and stains from porcelain, ceramic, chrome and stainless steel bathroom surfaces. Contains a blend of mineral acids, emulsifiers, detergents, corrosion inhibitors, perfume and color indicator.

FEATURES
• Heavy duty action
• Economical
• Easy to use
• Versatile
• Deodorizes

BENEFITS
• Quickly removes rust, scum, stains and alkaline scale (hard water deposits).
• Can be used straight or as little as 1 ounce/gallon.
• Angle neck bottle makes it easier to clean hard-to-reach places, such as under the rim.
• Clean toilet bowls, urinals, shower stalls, ceramic tile, and most metal surfaces.
• Fights odor-causing bacteria and provides a sanitary environment on cleaned surfaces. Leaves a pleasant, refreshing fragrance.

• Pleasant to use
• Color indicator

• Provides prolonged contact time.

• Clings to surfaces

NOTE: Limit contact time on porcelain and chrome to a few minutes. DO NOT use on chipped or cracked ceramic, porcelain enamel, marble or terrazzo surfaces, as damage may result.

APPLICATIONS
Recommended for use in industrial bathrooms, showers and public restrooms. Especially useful in:

- Child Day Care Facilities
- Hospitals & Nursing Homes
- Cleaning and Maintenance Services
- Hotels & Motels
- Eating & Drinking Establishments
- Schools and Educational Facilities
