

Purge I Metered Flying Insect Killer

Be relatively free of small flying insects within 24 hours with Purge I engineered to work in an automatic dispenser.

Purge I Metered Flying Insect Killer is engineered for use in automatic metered dispensers. The dispenser automatically activates the special metered valve every 15 and/or 30 and/or 45 minutes. Within 24 hours the area is relatively free of house flies, mosquitoes, gnats, and small flying moths and with continued use reduces annoyance from them.

Benefits:

- Dispenser contains enough product to work for 30 days
- Kills house flies, mosquitoes, which may carry the West Nile Virus, gnats, and small flying moths

ACTIVE INGREDIENTS:

- Pyrethrins 1.76%
Piperonyl Butoxide technical 5.00%

Applications:
