

AntMax® Bait Stations

AntMax Bait Stations invite ants in for an irresistible quick snack, then kills the entire colony.

Advanced formula kills Argentine, Pharaoh, Cornfield, and other large and small household ants 24 hours a day and kills the entire colony. Contains 4 child-resistant bait stations with Abamectin, the active ingredient proven effective in eliminating a variety of household ants. Unique clear-view design allows for easy visual inspection.

Benefits:

- Kills the colony
- Kill ants where they breed
- Kills Argentine, Pharaoh, Cornfield ants, and a variety of household ants
- Clear view bait station for easy inspection

ACTIVE INGREDIENTS:

Abamectin B1 0.011%

Applications:

For Use: In and around apartments and homes including, but not limited to: bathrooms, kitchens, counters, corners, under and around cabinets, sinks and near plumbing fixtures.

Not for Use: Do not apply aerosol insect sprays or pump sprays onto the surface areas to be treated with ant bait stations. Insecticide sprays will repel roaches from feeding at bait station locations.

Product Specifications:

Physical Form:	Solid paste
Color:	Brown
Odor:	Peanut Butter
Container Size:	4 baits
Storage Temperature:	32°F to 120°F (0°C to 49°C)
Shelf Life:	1 year minimum
D.O.T. Shipping:	Not regulated

Base Code: BZ7893
SAP #: 1047046

Directions for Use:

1. Remove bait stations from container.
2. For thorough ant control, use all 4 baits as one time. For larger kitchens or heavy infestations, we recommend using additional stations.
3. Baits work best on horizontal surfaces touching corners and walls.
4. Ants will begin eating the bait immediately.
5. Replace ALL baits every three months or until the ant population is completely eliminated.

Safety: Please make sure you have read and understand the product label and SDS before using this product. SDSs are available at www.distribution.com. Avoid breathing vapors, spray or mists. Use only with adequate ventilation. Wash thoroughly after handling. Do not ingest. Wash contaminated clothing before reusing. Observe label precautions.
