Features

- Eliminates Odors
- Kills Odor Causing Airborne Bacteria
- Cleans the Air You Breathe
- Sanitizes the Air by Removing Odor Causing Bacteria
- Nonflammable, Ultra Dry Hydro-Alcoholic Formula
- Leaves Room Smelling Fresh and Clean

Description

This product eliminates odors by killing odor causing bacteria from the air when used as directed. As an air sanitizer, this product effectively kills odor causing bacteria to cleanse the air you breathe. As a deodorant, the next generation odor counteractant system chemically bonds with the malodor molecule destroying the odor source instead of just covering up or masking. Odors from mildew, smoke, vomit, feces, urine and putrescence emitting from garbage receptacles, diaper hampers, sinks, drains, toilets, urinals and more are effectively eliminated with this product. Excellent for control of even the toughest odors such as animal odors from veterinary clinics, kennels, litter boxes and pet waste disposal areas. Post-fire odors including cigar/cigarette smoke treatment as well as protein decomposition odors from garbage, fisheries, and other challenging sources are also effectively treated. 20 net 10 oz can.

Packages Available:

TECHNICAL INFO:		
Physical Properties	Appearance	Fine Mist
	Color	None
	Odor/Fragrance	Linen
	pH	9.0-10.0
	Spray Pattern	Airy Mist / Spray-thru cap
Environmental Profile	Glycol Ether Content	No
	Biodegradability	Not Established
	Chlorinated Solvents	No
	Green Status	None
	Recyclable Packaging	Yes
Regulatory Compliance	% VOC By Weight	29.5
	VOC Restricted Regions	None
	Food Processing Suitability	N/A
	EPA #	10807-432
	Flammability per CPSC	NCAF
	NFPA Code 30B Storage Level	1

Label Datecode: 12/07
