- Advanced Propellant System Enables Ultra Low Total VOC Content
- 98% VOC Free, Water Based, Nonflammable
- Quickly Restores Shine Leaving a Light Lemon Scent
- Contains No Silicone or Wax to Build Up on Surface

“The Next Generation FEP Aerosol System”

### Description

Aspire® Furniture Cleaner & Polish combines the ease of use of a general purpose cleaner with a high performance, high gloss protectant. Formulated with no silicone or wax to build up on surfaces, the unique formula works well on a wide variety of furniture including traditional finished wood and more contemporary urethane finishes, metals, laminates, etc. likely to be found in today's professional workplace. The fast breaking creamy white foam clings to vertical surfaces and polishes easily with no waiting for hazing, excessive buffing, or chasing out excess from cracks and crevices. Use on furniture desks, filing cabinets, regular cabinets, paneling, in offices, hotels, schools, municipal and government buildings, and much more.
