

### A00808 ASPIRE® Baseboard Stripper

### Floor Care

#### Features

- Professional Strength, FEP Aerosol Maintenance Products
- USA Patent Pending Formula Technology Meets Amrep's Favorable Environmental Profile
- Advanced Propellant System Enables Ultra Low Total VOC Content
- 96% VOC Free, Water Based, Nonflammable
- Aggressive High Foaming Fan Spray Clings To Vertical Surfaces
- Powerful Stripping Action Cleans Numerous Coats With One Application
- Pleasant Light Lemon Fragrance

“The Next Generation FEP Aerosol System”

#### Description

Aspire® Baseboard Stripper is a special high foaming floor stripper formulation developed to let chemistry do the hard work of removing years of unsightly wax and buildup. Ideal for use on vertical surfaces such as baseboards and kick plates not normally reached with water thin conventional liquid stripper applications. It is excellent also for spot stripping hard to reach vertical and horizontal areas where foot traffic is minimal: under desks, tables, counters, along walls, behind fixtures, etc. This heavy duty product leaves your floor ready for new wax to be applied. Multiple layers of build up are quickly emulsified by chemical action for easy, speedy removal. Uses can be found in most any commercial setting including offices, institutions, hotels, hospitals, schools, public places and more.

TECHNICAL INFO:		
Physical Properties	Appearance	Foamy Spray
	Color	White
	Odor/Fragrance	Lemon or Citrus
	pH	12.5-13.0
	Spray Pattern	Fan
