

B00811 Crystal Clear

Floor Care

Features

- Dust Mop Treatment
- RTU
- Low Odor Solvent Dust Mop Treatment
- Treats Dust Mops, Cloths, Mats, HVAC Filters

Description

This is a crystal clear dressing to apply to dust mop heads to aid in the removal of dust, dirt, and other abrasive matter from floor surfaces. Mop heads which are treated with this compound act as a "dust magnet" to attract and hold particles until mop is cleaned or laundered. This treatment is non-oily and leaves a dry, protective, plasticized film on the surface of wood, asphalt, linoleum, vinyl, vinyl composition, rubber, terrazzo, concrete and gymnasium floors. Treatment will not harm waxed or finished surfaces. Floors will appear brighter and more lustrous.
