

PRODUCT SPECIFICATION REPORT

MVP is a heavy duty waterless hand cleaner based of the natural cleaning ability of citrus oils combined with detergents, emulsifiers and emollients.

MVP

Heavy Duty Waterless Hand Cleaner

PROD. #3230

FEATURES/BENEFITS:

Highly Effective Cleaning	Quickly and thoroughly penetrates and liquefies grease, oil, ink, resins, paints, adhesives, asphalt, tar, dirt and grime.
Waterless	Use wherever and whenever you have dirty hands. Works well with or without the use of water.
No Petroleum Solvents	Less irritating to the skin and more ecologically acceptable.
No Harsh Abrasives	Less aggressive on skin compared to cleaners with abrasives.
Emollient Enriched	Replaces skin oils to help prevent drying and irritation.
Fresh Citrus Fragrance	Leaves hands with a fresh clean fragrance.

APPLICATIONS:

Use in the washroom, on the work bench, on the service truck or anywhere there are dirty hands. Works equally well when wiped off with a towel (waterless) or rinsed from the hands with water. Great for use in: airport terminals, sports centers, newspaper companies, apartment building operators, commercial printers, service stations, auto repair facilities and much more.
