

PRODUCT SPECIFICATION REPORT

Focus is a highly durable, metal interlock, acrylic copolymer finish designed for minimal maintenance or occasional high speed burnishing.

FOCUS

PROD.#0812

High Gloss, Versatile Floor Finish

FEATURES/BENEFITS:

Durable	Retains gloss and possesses exceptional resistance to scuffs and black-heel marks.
High Gloss	Formulated to provide high gloss, both initially and with extended wear.
Easy to Apply	When properly applied with a rayon mop, Focus levels with no streaks or mop trails
Fast Application	Only 20-30 minutes drying time needed per layer.
Easy to Strip	Easily removed with Zep floor finish strippers, such as Strip-Ease.
Easy to Maintain	Designed for minimum maintenance such as dust and damp mopping with pH perfect, low speed buffing or even weekly high speed burnishing for added shine.
Slip-Resistant	Meets or exceeds slip resistance standards (when properly maintained) established by CSPA and UL as tested in accordance with ASTM D-2047
Economical	One gallon covers 2000-2500 square feet.

APPLICATIONS:

Apply finish with rayon mop. Use on most types of floor surfaces, such as VCT and terrazzo. Used by contract maintenance companies, public buildings, shopping malls, public transportation terminals, and other areas where a high performance, high gloss floor finish is needed.

COMPANION PRODUCTS:

Burnish Boost (GreenLink), Buff Up, Zeparade Sealer, Perimeter, Powerhouse, pH Perfect, Strip-Ease, Time Saver, Zep floor machines, mops, and floor pads.

SPECIFICATIONS:

Physical Form	Liquid
Color	Milky White
