

PRODUCT SPECIFICATION REPORT

Morado Super Cleaner is a concentrated, economical, alkaline cleaner and degreaser for extra-heavy-duty industrial use. Quickly removes a wide variety of greasy and carbonaceous soils not readily penetrated by ordinary cleaning products.

MORADO SUPER CLEANER™

PROD. #0856

Extra Heavy-Duty Industrial Cleaner and Degreaser

FEATURES/BENEFITS:

Powerful	Formulated for efficient removal of the toughest soils
Controlled Foam	Low foam rinses quickly and completely from cleaned surfaces
Concentrated	Effective at high dilution ratios for economy
Versatile	Product can be applied with a mop, brush, low pressure spray, or automatic scrubbing machine
Biodegradable	All detergents used in the manufacture of this product are biodegradable
Phosphate-Free	This product does not contain phosphates

NOTE: Avoid contact with composition floors, painted surfaces, aluminum, and other alkali-sensitive surfaces as damage may occur. Do not allow skin contact. Immediately rinse with lots of water if skin contact does occur.

APPLICATIONS:

Use Morado for heavy-duty industrial cleaning applications including carbon, soot, ink, and grease removal. Cleans industrial concrete floors and other masonry surfaces, greasy engines and equipment.

Recommended to airport & bus terminals, sport & recreational clubs, automotive repair shops, car washes, cleaning & maintenance services, commercial printers, schools and educational services, manufacturing & warehouses, and service stations.
