

PRODUCT SPECIFICATION REPORT

Cherry Punch is an industrial strength hand cleaner with emollients and mild solvents.

CHERRY PUNCH

PROD.#0890

Industrial Strength Liquid Hand Cleaner.

FEATURES/BENEFITS:

Powerful Cleaning Action	Cherry Punch quickly liquefies stubborn industrial soils such as grease, tar, asphalt, inks, resins, paints and adhesives, while suspending tough soils and carbon.
Fortified with Mild Solvents	Cherry Punch has a low odor petroleum solvent formula which is tough on ground in grease and dirt.
Easy on Hands	Even though Cherry Punch is a solvent product, it is fortified with emollients to protect hands from drying by replacing the skin oils to prevent dryness leaving hands soft.
Pleasant Cherry Fragrance	Cherry Punch leaves hands with a pleasant cherry fragrance as well as neutralizing residual petroleum odors such as kerosene, diesel and other fuels. Easy Rinse - Cherry Punch rinses easily and completely from hands.

APPLICATIONS:

Use Cherry Punch in any shop, garage, and factory or wherever hands get dirty from industrial soils such as ink, resins, adhesives, tar, grease and asphalt.
