

PRODUCT SPECIFICATION REPORT

Solo is a specially developed acrylic floor sealer and polish which dries to an exceptionally bright, hard, extra durable polish that is highly resistant to abrasion, scuffing and heel marks, even under the heaviest traffic.

SOLO™

High Performance Sealer & Floor Polish

PROD. #1070

FEATURES/BENEFITS:

Versatile	Solo can be used on a variety of resilient and non-resilient surfaces without a sealer.
Slip-resistance	Solo meets or exceeds slip resistance standards, when properly maintained, established by CSPA and UL as tested in accordance with ASTM D-2047.
Economical	Solo saves money by using a single product as a sealer and polish.
Low Maintenance	Dries to a hard, clear coating, allowing the use of low maintenance spray buffing or burnishing procedures to restore gloss.
Ease of Application & Removal	Solo levels with no streaking, dries in 30 minutes, and recoats well over existing coats. It is easily stripped with select Zep strippers.
25% Solids	Saves time and labor in floor polishing by acting as sealer and polish and needing fewer coats to cover the floor.

APPLICATIONS:

Solo may be used on most floor surfaces where high solids and low maintenance polishes are commonly used and in locations with several floor types in one location. Solo can be used in such locations as: shopping malls, utility plants, automotive repair shops, nursing homes & hospitals, textile plants, grocery stores & supermarkets, schools & educational services, warehouses & storage Facilities, and hotels & motels.
