

PRODUCT SPECIFICATION REPORT

An exceptionally durable, metal-interlock floor polish. This acrylic copolymer formula is urethane fortified for added durability.

POLY-SHIELD

PROD. #1339

Extremely Durable, Water-Emulsion Floor Polish

FEATURES/BENEFITS:

High Gloss	Formulated to provide high gloss, both initially and with extended wear
Durable	Urethane-fortified for long lasting shine in high traffic areas
Easy to Apply	When properly applied with a rayon mop, Poly-Shield levels with no streaks or mop trails
Fast Application	Only 20-30 minutes drying time needed per layer.
Easy to Strip	Easily removed with Zep floor polish strippers, such as Strip-Ease.
Easy to Maintain	Designed for minimum maintenance such as dust and damp mopping with pH perfect, low speed buffing or even weekly high speed burnishing for added shine.
Slip-Resistant	Meets or exceeds slip resistance standards (when properly maintained) established by CSPA and UL as tested in accordance with ASTM D-2047
Economical	One gallon covers 500-2000 square feet.

APPLICATIONS:

Apply polish with rayon mop. Use on most types of floor surfaces, such as VCT and terrazzo. Excellent for use in public buildings, shopping malls, public transportation terminals, and other areas where a high performance, high gloss floor polish is needed.

COMPANION PRODUCTS:

Burnish Boost (GreenLink), Buff Up, Zeparade Sealer, Perimeter, Powerhouse, pH Perfect, Strip-Ease, Time Saver, Zep floor machines, mops, and floor pads.
