

# PRODUCT SPECIFICATION REPORT

Pot & Pan Plus EG is a highly concentrated, fragrance free, phosphate free, hand dishwashing liquid.

## POT & PAN PLUS EG

PROD. #1522

High Foaming, Manual Dishwashing Detergent

### FEATURES/BENEFITS:

Superior Grease Cutting	Emulsifies grease and grime effectively, leaving clean, residue-free pans behind
Non-Irritating	Contains no harsh or irritating alkali; a neutral pH reduces potential for skin irritation
Economical	Highly concentrated formula with long-lasting suds
Environmentally Preferable	This product is formulated without phosphates, butyl, or APE surfactants and all the detergents and emulsifiers are completely biodegradable
EcoLogo™ Certified	Meets EcoLogo Dish Cleaner Criteria CCD-146K

### APPLICATIONS:

Dilute ¼ - ½ ounce of product per gallon of water for dishes, silverware and glasses. A higher dilution may be required for heavily soiled pots & pans. Formulated for use as a dish detergent for pot & pans, glasses and other cooking utensils in bakeries, nursing homes & hospitals, restaurants, cafeterias, donut shops, pizzerias, bars, supermarkets, and coffee shops.

### COMPANION PRODUCTS:
