

PRODUCT SPECIFICATION REPORT

Johnny Applestick is deodorizer and cleaner block which clips under the toilet bowl rim; automatically activates with every flush.

JOHNNY APPLESTICK Bowl Cleaner and Deodorizer

PROD. #1745

FEATURES/BENEFITS:

Effective Cleaner	Keeps bowl clean with each flush; non-corrosive cleaning agents will not cause rust or harm porcelain surfaces.
Bio-based	Specialized bacteria & enzymes aid in cleaning & deodorizing by digesting odors at their source.
Pleasant Fragrance	Long-lasting green apple fragrance keeps bowl smelling fresh.
Blue Dye	The non-staining blue dye indicates cleaning and deodorizing action.
Long-Lasting	Product lasts for up to 1000 flushes.

NOTE: Product does not contain paradichlorobenzene.

APPLICATIONS:

Johnny Applestick is recommended for use in toilets in all restrooms. Excellent for use in hotels and motels, eating and drinking establishments, nursing homes, hospitals, service stations, sports clubs, schools, office buildings, and airport terminal facilities.
