

# PRODUCT SPECIFICATION REPORT

A deep penetrating, low foaming floor finish stripper that works effectively with Zep GreenLink Floor Polish as well as conventional finishes. VOC free formula that contains no Alkylphenol Ethoxylates (APEs). Meets Green Seal® Environmental standard for Floor-Care products: Finishes and compatible strippers used for industrial and institutional purposes, GS-40.

## GREENLINK™ FLOOR POLISH STRIPPER

PROD. #1913

Concentrated Floor Finish Stripper

### FEATURES/BENEFITS

Green Seal® Certified	This product meets Green Seal® Environmental Standard for Industrial and Institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential
Concentrated	Must be diluted with 4 parts water for greater economy
VOC free	Does not contain any Volatile Organic Compound
APE free	Environmentally preferable formulation does not contain any Alkylphenol Ethoxylates
Rinses easily	Can be removed completely and quickly by mop, wet vacuum, or autoscrubber
Non-ammoniated	Ammonia is very toxic and the fumes can be hazardous to the human skin and lungs

### APPLICATIONS

Any businesses, factories, offices, lobby areas, schools, or shopping malls where fast, effective, efficient removal of floor finish build-up is essential while working to minimize the impact on the environment. Particularly useful for:

- |                           |                                   |                        |
|---------------------------|-----------------------------------|------------------------|
| Airport Terminal Services | Schools & Educational Buildings   | Government Offices     |
| Hotels and Motels         | Nursing Homes, Hospitals, Clinics | Automotive Dealerships |
| Shopping Malls            | Eating & Drinking Establishments  | Building Contractors   |

Use in areas with adequate ventilation.

Improper dilution and/or use may result in inadequate cleaning and may result in health and physical hazards that match those of the concentrate.
