

PRODUCT SPECIFICATION REPORT

A solvent-based, fast-drying, high-gloss silicone dressing for automobile tires in a convenient aerosol.

TIRELESS SHINE™ Tire Dressing

PROD.#0063

FEATURES/BENEFITS:

Rapid gloss development	Develops an immediate, deep gloss on tire surfaces.
Easy-to-apply	Just spray on tire surface and allow to dry.
Water resistant	Doesn't wash off tires in the rain.
Fast acting	Doesn't run or build up on tires when sprayed on and is less likely to "spin off" when vehicle is operated

APPLICATIONS:

Use to dress tires after they have been cleaned at full service or exterior-only car washes, new car dealership "prep" departments, used car lots or auto detailers.

Particularly useful in: Automotive Tire Dealers, Car Washes, Motorcycle Dealers, New & Used Car Dealers, Passenger Rental Car & Leasing, Service Stations, Tires-Rubber Products, Truck Rental & Leasing and Truck Washes

COMPANION PRODUCTS:

Air Fair fragrances, Asphalt & Tar Remover, Concentrated Glass Cleaner, Whitewall Spray, Zep Tire Brush, Vinyl Cleaner, Zep Roll Towels, Zep Roll Towel Dispenser, Zep Macarl FogMaker, Zep Model FH Sprayer
