

## PRODUCT SPECIFICATION REPORT

# ZEP POWDER KEG™

## Powdered Truck and Trailer Wash

### DESCRIPTION

A premium, powdered truck and trailer wash, formulated with no harsh caustics, acids or solvents. Zep Powder Keg will remove exhaust deposits, mud, grime, and road film, in one application without brushing. It is composed of alkaline builders, water softeners, surfactants and emulsifiers.

### FEATURES

- Heavy-duty
- Free-rinsing
- Highly-concentrated
- Biodegradable
- Saves Time and Money

### BENEFITS

- Effective against many soils and difficult road film.
- Rinses easily to prevent spotting and streaking.
- 1/2 lb. per gallon of water creates a "liquid concentrate" which can be further diluted.
- All detergents in the product are biodegradable, making it more environmentally friendly.
- One-step cleaning eliminates the need for manual brushing.

### APPLICATIONS

Use to clean all types of vehicles. Can be used for pressure washing, manual cleaning, pre-spray or whitewall tire cleaner. See label for specific use directions and precautionary measures.
