

## PRODUCT SPECIFICATION REPORT

# ZEP CARB-X™ Liquid Carburetor and Choke Cleaner

### DESCRIPTION

A completely combustible choke and carburetor cleaner designed to burn through the engine.

### FEATURES

- Fast acting
- Oxygen sensor safe
- Completely combustible
- No chlorinated solvents

### BENEFITS

- Quickly dissolves grease, gum, varnish and carbon
- Thoroughly tested and found to not have adverse effects on exhaust oxygen sensors
- Can be used with engine running. Burns 100% completely through the engine with no noxious fumes.
- Less harmful to plastic and rubber parts and wiring than conventional carburetor cleaners.

\* **Do not use on 1989 or newer Ford throttle body fuel injection systems. Safety equipment: Viton gloves, splash proof safety goggles.**

### APPLICATIONS

Use to dissolve gum, varnish, carbon, and grease from carburetors, linkages, PVC valves, heat riser valves and automatic chokes.

### COMPANION PRODUCTS

Zep PLS, Zepreserve, Zep Dyna 143, Zep Cold Galvanize, Zep Professional Rubberized Coating, Zep Klear, Zep Rustarrester, Zep Brake Wash, Zep Battery Coat, Zep Safety Drum Pump, Zep Safety Pail Pump

### SPECIFICATIONS

Physical form .....clear, amber liquid  
Flash point (TCC) .....42°F  
Odor .....Sweet, solvent like  
pH .....N/A

Specific gravity .....0.86  
Boiling point .....147°F (initial)  
Shelf life .....1 year minimum  
DOT Shipping label .....Flammable liquid N.O.S.

### PACKAGING

5 gallon pail  
20 gallon drum  
55 gallon drum
