

## PRODUCT SPECIFICATION REPORT

# ZEP TIRE MOUNT LUBE™

## Tire mounting lubricant

### DESCRIPTION

A concentrated water-based product with special lubricity additives that lubricates beads for easier tire mounting and demounting.

### FEATURES

- Outstanding lubricity
- Safe on all wheel types
- Versatile
- Safe on Hands
- Biodegradable

### BENEFITS

- Lubricates entire wheel to provide better tire and rim reducing the potential for bead damage.
- Tire Mount will not promote corrosion.
- Tire Mount is safe on all tires including whitewalls.
- Contains no silicone or petroleum solvents.
- All surfactants used in the manufacture of this product are biodegradable and environmentally desirable.

### APPLICATIONS

Application Information A lubricant intended for easing the mounting of automotive, truck, motorcycle, and farm and heavy-duty construction equipment tires.
