

PRODUCT SPECIFICATION REPORT

ZEPRIDE™

A Fast-Acting, General Purpose Cleaner and Degreaser

DESCRIPTION

A multi-purpose, water-based cleaner and degreaser. A proven combination of alkaline builders, synthetic detergents, and “butyl” solvent.

FEATURES

- Powerful cleaning action
- “Butylated”
- Hard water tolerant
- Versatile
- Non-corrosive
- USDA authorized

BENEFITS

- Rapidly removes dirt, grease, and grime from a wide variety of surfaces. At recommended dilutions, can be used on almost any surface not affected by water alone.
- Contains “butyl solvent”, a water-soluble solvent that makes the product a powerful degreaser and floor finish remover.
- Totally synthetic, low-foaming formula rinses freely, and leaves no residues regardless of water hardness.
- Use as a general-purpose cleaner, floor cleaner, wax and floor finish stripper, engine degreaser, and for a variety of other cleaning problems. May be used by hand or with steam and pressure cleaning equipment, automatic floor scrubbers, etc.
- Will not harm metal surfaces, including aluminum, when used as directed on label.
- Authorized as a floor and wall cleaner for use in all departments of federally inspected meat and poultry plants.

Note: May bleach, streak, or run paint. Test before using.

APPLICATIONS

Used to clean and degrease many surfaces including glass, chrome, steel, composition flooring, vinyl, plastic, etc. May be used as a bilge cleaner, laundry degreaser, printing ink remover, wax stripper, white sidewall cleaner, steam cleaner, etc. See label for specific instructions and cautions. Particularly useful in:

Automotive Repair Shops
Amusement & Recreation
Cleaning & Maintenance Services

Commercial Printers
Newspapers/Publishing & Printing
Sanitary Services

Schools & Educational Services
Service Stations
