

PRODUCT SPECIFICATION REPORT

Tireless Shine™

A High-Gloss Dressing for Vehicle Tires

DESCRIPTION

A solvent-based, fast-drying, high-gloss silicone dressing for automobile tires.

FEATURES

- Fast-acting
- Rapid gloss development
- Water-resistant

BENEFITS

- Doesn't run or build up on tires when sprayed on, and is less likely to "spin off" when vehicle is operated.
- Develops an immediate, deep gloss on tire surfaces.
- Doesn't wash off the tire in the rain.

NOTE: As product is extremely flammable and volatile, limit applications to tires only (not interiors) and eliminate all sources of ignition, such as smoking.

APPLICATIONS

Use to dress tires after they have been cleaned at full service or exterior-only car washes; new car dealership "prep" departments; used car lots; or auto detailers. Particularly useful in:

Automotive Tire Dealer
Car Washes
Motorcycle Dealers

New & Used Car Dealers
Passenger Car Rental & Leasing
Service Stations

Tires, Rubber Products
Truck Rental & Leasing
Truck Washes

COMPANION PRODUCTS

Zep Air Fair fragrances, Zep Asphalt & Tar Remover, Zep Chrome Wire Wheel Cleaner, Zep Concentrated Glass Cleaner, Zep Whitewall Spray, Zep Tire Brush, Zep Vinyl Cleaner, Zep Roll Towels, Zep Roll Towel Dispenser, Zep Model 16 Sprayer

REACTIVITY	0	0 MINIMAL
PERSONAL PROTECTION EQUIPMENT	C	Goggles, Gloves

For use in Full Service or Exterior-Only Car Washes, New Car Prep Departments, Used Car Dealerships, and Auto Detail Centers.

DIRECTIONS:

Clean and rinse tires on vehicle and allow to dry. Spray Zep Tireless Shine evenly onto tires with the Zep MacCarl Sprayer or Model-16 Sprayer and, if necessary, wipe off any excess to prevent possible "spin-off" from spotting the auto finish.

⚠ DANGER! ⚠

Contains hexane.

EXTREMELY FLAMMABLE LIQUID AND VAPOR
VAPOR MAY CAUSE FLASH FIRE
EXTINGUISH ALL SMOKING MATERIALS
CAUSES IRRITATION • VAPOR HARMFUL

Can cause severe eye irritation or inflammation. Inhalation of spray mists or vapors may cause respiratory tract irritation and/or mild central nervous system depression characterized by headache, dizziness, nausea, or stupor. DO NOT swallow this product. DO NOT breathe vapors or spray mist. Exposure may aggravate existing skin or respiratory disorders. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request. Zep advocates limiting exposure to all chemical products. Wearing of tight-fitting safety goggles is strongly recommended, especially for contact lens wearers. Wear natural rubber, nitrile, neoprene, or other resistant gloves. Use product in well-ventilated areas only; open windows/doors and use exhaust fans in enclosed spaces. Remove contaminated clothing promptly and DO NOT rewear until thoroughly

cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

SKIN: Wash contaminated skin immediately and thoroughly with soap or mild detergent. Apply a skin cream. Consult a physician if irritation develops.

INHALATION: Move exposed person to fresh air at once. If breathing has stopped, perform artificial respiration. Get medical attention immediately.

INGESTION: If product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration (breathing) of liquid into the lungs. Get emergency medical attention immediately.

DISPOSAL AND/OR SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as Zep-O-Zorb or Zep Super Sorbent, and deposit in a clean, sealable D.O.T. specification container for disposal as a hazardous waste. Thoroughly clean area with a detergent solution and rinse area well with water.

EXTREMELY FLAMMABLE: KEEP AWAY FROM HEAT, SPARK, OPEN FLAME, OR ANY SOURCE OF IGNITION.

STORAGE: Store in a cool area away from direct sunlight. Keep container tightly closed at all times when not in use to decrease evaporation of volatile solvents.
