

# PRODUCT SPECIFICATION REPORT

## ENVIROEDGE

: Earth-Friendly Products

Best Dressed is a water-based surface protectant for use on vinyl, leather and rubber surfaces, including tires, trim and exterior vinyl. It beautifies and protects against ozone, oxygen and ultraviolet rays that crack and harden these surfaces and will not collect dust.

## BEST DRESSED™

### PROD.#0636

Liquid Tire Dressing

### FEATURES/BENEFITS

Environmentally Preferable	Best Dressed contains no APE surfactants, or solvents which can be harmful to the environment.
Effective	Best Dressed is formulated with environmentally preferable ingredients to quickly penetrate and leave a high gloss on most hard surfaces.
Versatile	Best Dressed can be used in a variety of applications, inside and outside of vehicles.
Easy to Use	Best Dressed can be sprayed on or applied with a sponge or cloth, is water based and safer to use than a solvent based product may be.

**NOTE:** Best Dressed is not recommended for floors, fabrics, foot pedals or steering wheels. It is also not recommended for Body Shops where the presence of silicone may interfere with painting operations.

### APPLICATIONS

Apply Best Dressed to clean surfaces by spraying with a trigger sprayer or with a hand applicator. Allow it time to penetrate then wipe off the excess. Use Best Dressed on interior and exterior vinyl, leather and rubber surfaces. This product is particularly effective for use in car washes, passenger car rental leasing, truck washes, new & used car dealers, and truck rental & leasing facilities.
