

PRODUCT SPECIFICATION REPORT

Orange Response is an industrial strength degreaser formulated with citrus solvent, other natural solvents, surfactants and emulsifiers. Designed to handle the toughest of oils, greases and even some adhesives.

ORANGE RESPONSE

Industrial Citrus Degreaser and Deodorizer

PROD.#0750

FEATURES & BENEFITS:

Natural Solvents	Solvent ingredients are derived from natural renewable resources.
Biodegradable	Orange Response is made with biodegradable solvents and detergents.
Water Rinsable	Rinses easily and freely with water, leaving no residue behind.
Aggressive	High solvency and degreasing ability is equivalent to petroleum based solvents.
Pleasant Fragrance	Leaves a fresh citrus fragrance behind.

APPLICATIONS:

Designed to degrease industrial equipment. Effectively removes tar and asphalt and many industrial glues and protective coatings. Great for removing heel scuffs and rubber tire marks from unpainted concrete surfaces. Also, Orange Response can be used as pre-spotter and gum remover for carpets. **NOTE: May damage some plastic, rubber and painted surfaces. Test on an inconspicuous area before general use.** Excellent for use in building maintenance services, industrial machinery manufacturers, automotive repair shops, hotel and motels, school maintenance areas, and much more.
