Carpet Spotter, Deodorizer and Protector

FEATURES/BENEFITS:

| | |
|--|---|
| Strong Cleaner | Cleans the widest range of soils of any single product. |
| Fluoropolymer Soil Repellent | Replaces some of the soil repellent stripped away by cleaning. |
| Contains Soil and Odor Eating Bacteria and Enzymes | Break-Away removes inorganic and organic soils and odors others can not remove. |
| Neutral Formulation | Safe for all types of carpet and fabric, including stain resistant carpet. |
| Three in one Product | Cleaner, soil repellent, and deodorant. |
| Continuous Action | Regular use of the product helps prevent stains from recurring by repelling soil and continuing to work on new stains as they appear. |
| Environmentally Friendly | Break-Away is a non-butyl, non-phosphate, neutral pH product. |

APPLICATIONS:

Break-Away can be used in conjunction with all methods of carpet and rug cleaning and by itself as a stand alone cleaner and spotter. It is ideal for removing kitchen and food soils, pet stains, cosmetics, and organic stains such as blood and grass stains. It also helps prevent recurrence of those stains by coating the carpet fibers with a long lasting fluoropolymer that will not allow stains to stick. It is particularly useful in airport terminal services, child day care services, department stores, apartment building maintenance, hotel and motel maintenance, nursing homes, hospitals, schools and educational services, sports and recreation services, real estate brokers
