

# TILE & GROUT CLEANER™

## Heavy-Duty, Thickened Ready-To-Use Alkaline Cleaner Designed for Bath, Restroom, and Shower Cleaning

### DESCRIPTION

Heavy-duty, thickened ready-to-use alkaline cleaner designed especially for bath, restroom, and shower cleaning. A special blend of detergents and wetting agents, water softeners, water-soluble solvent, alkaline builders, thickeners, and a special bleaching agent for removing stains and scale.

### FEATURES

- Powerful cleaning action
- Restores appearance
- Clinging formula
- Non-acid
- No harsh bleaches
- Pleasantly scented
- May be used on most hard surfaces
- USDA authorized

### BENEFITS

- Rapidly removes the heaviest accumulations of dirt, soap scum, body oils, mildew stains, and other soils from all types of bathroom surfaces.
- Removes dulling films from glazed ceramic surfaces while it penetrates and bleaches stains from grouting.
- Special thickeners hold the product onto surfaces, allowing it ample time to penetrate and break up soils. Reduces the need for scrubbing or scouring.
- Contains no acids to erode grouting and corrode metal surfaces.
- Contains no chlorine or other harsh oxidizing bleach. Will not fade or discolor tile, fabrics, carpeting, etc.
- Imparts a fresh, "clean" fragrance to surfaces.
- May be used on porcelain, ceramic and quarry tile, fiberglass, melamine, chrome, stainless steel, and other hard bath and restroom surfaces.
- Authorized for use in toilets and/or dressing rooms in federally inspected meat and poultry plants.

### APPLICATIONS

Use to clean floors, fixtures, tile walls, wash basins, tubs, shower stalls and other hard surfaces in bathrooms, restrooms, locker rooms, and the like. Recommended to hotels and motels, clubhouses, schools, industries, sports facilities, etc.
