

PRODUCT SPECIFICATION REPORT

ZEP ALUME-E™

Economical Aluminum Cleaner and Brightener

DESCRIPTION

A heavy-duty, fast acting, liquid, aluminum trailer cleaner and brightener. Zep Alume-E contains a potent blend of mineral acids, wetting agents, emulsifiers and butyl solvent for extra grease cutting power.

FEATURES

- Formulated with aggressive mineral acids
- Contains butyl
- Economical
- Versatile application

BENEFITS

- Zep Alume-E removes road film, diesel smoke, and brightens aluminum with minimal brushing.
- Zep Alume-E effectively degreases underbodies of vehicles.
- Zep Alume-E may be diluted at one part product to up to 50 parts water.
- Zep Alume-E may be foamed on or applied through low-pressure sprayer.

Note: Zep's Product Care Program requires Zep Sales Representative and their Customers be certified in proper handling and use of this product as it contains HF.

APPLICATIONS

Zep Alume-E is specifically for cleaning both over the road and delivery trailers made of unpainted aluminum.

NOTE: Do not use on highly polished metal surfaces. Keep product off glass, fiberglass and painted surfaces.
