

PRODUCT SPECIFICATION REPORT

Air & Fabric Refresher is a concentrated odor eliminator which counteracts smoke, food and pet odors at the source to provide long lasting freshness.

AIR & FABRIC REFRESHER

PROD. #1386

Odor Eliminator

FEATURES/BENEFITS:

| | |
|----------------------------|--|
| Fabric Refresher | May be sprayed on upholstery, linens, curtains, carpets and rugs to freshen and eliminate stale odors |
| Air Freshener | May be used as a space spray to counteract lingering malodors due to food, smoke, or pets. |
| Long-Lasting | The pleasant fragrance of Air & Fabric Refresher leaves a clean scent behind which will continue to fight tough odors |
| Low VOC Content | Complies with current VOC restrictions as regulated by CARB and OTC/LADCO; may be sold in all states |
| Environmentally Preferable | This product is formulated without phthalates, phosphates, butyl, or APE surfactants and all the detergents and emulsifiers are completely biodegradable |

NOTE: Safe on most fabrics. On fabrics that may spot, test product on an inconspicuous area prior to use. Do not use on: leather, suede or silk

APPLICATIONS:

Pre-dilute at a ratio of 1:20 for heavy duty applications and 1:40 for light duty and maintenance. Spray directly onto carpets, rugs, upholstery, clothing, bedding, and auto interiors. Also useful as a room spray or spraying into trash cans, diaper bins, and laundry hampers. Recommended for use to hotels & motels, office buildings, educational facilities, recreational centers, theaters, convention centers, department stores, and airport & bus terminals.
