AIR FAIR JASMINE™ Jasmine scented liquid deodorizer

DESCRIPTION

A water-based deodorant that contains a concentrated, highly effective blend of odor neutralizing and masking agents which impart a Jasmine fragrance to the treated area.

FEATURES

- All purpose
- Versatile
- Environmentally Preferred
- Conveniently packaged

BENEFITS

- Eliminates odors from stale cigarette and cigar smoke, body wastes, food spillage, garbage, cooked foods, perspiration, pets and fire damage.
- Can also be added to cleaning solutions to impart fragrance.
- No Dye, less chance of staining if inadvertently sprayed on open areas. Uses preferable, sustainable components, making a green, more environmentally friendly product.
- Comes packaged in ready to use quart bottles, 12/1 quart cases, 2.75 gallon bottles, and 55 gallon drums.

NOTE: DO NOT spray on or allow contact with plastic surfaces such as dashboards, door panels, or instrument lenses as damage may occur. DO NOT add to rinse wax, sealer wax, or drying agent.

APPLICATIONS

Can be dispensed as a fine mist using the hand sprayer, or added to other cleaning solutions as a deodorizer.
