# CONCENTRATED BIG JOHN II™

## Super Concentrated Liquid Portable Toilet Deodorant

### DESCRIPTION

A super-concentrated, liquid quat deodorant and cleaner, specifically formulated for use in portable toilets. Contains no formaldehyde, formaldehyde releasers, or chlorine. Chemically counteracts foul odors at their source.

### FEATURES

- Non-formaldehyde
- Powerful odor control
- Intense blue dye
- Versatile
- Biodegradable
- Super concentrate

### BENEFITS

- Can be used where formaldehyde is restricted or prohibited.
- Masks unpleasant odors and leaves a pleasant fragrance.
- Contains a non-staining dark blue dye that effectively hides toilet waste, even in extreme dilutions.
- Product in use-dilution can be used to clean and deodorize the entire toilet facility.
- Completely biodegradable. Will not interfere with the bacterial action of sewage treatment plants or septic systems.
- Simplifies storage and handling. Reduces solid waste disposal (pails vs. drums).

### APPLICATIONS

Use in portable toilets at construction sites, public parks, large public events and in self-contained toilets in buses and trains, boats, and recreational vehicles. NOTE: Due to dye content, use only dilute solutions to clean entire facility, and promptly and thoroughly rinse to prevent staining. Useful for:

Building Contractors  
Highway Paving Contractors  
Marinas

Parks & Recreational Services  
Public & Private Transportation Services
