BEFORE USING THIS PRODUCT, PLEASE READ THIS ENTIRE LABEL.

DIRECTIONS:

1. Sweep or dust-mop floors to remove dust and dirt. If heavily soiled, clean with Zep pH Perfect Neutral Floor Cleaner
2. Use red spray-buffing pad on any low or high-speed rotary floor machine.
3. Lightly spray a small area of floor.
4. Machine-buff until dry and glossy.
5. Proceed to new floor area and repeat operation.
6. Carefully control amount of spray. Excessive material will load pads and reduce efficiency.

WARNING!

CAUSES IRRITATION • COMBUSTIBLE

Can cause skin and severe eye irritation or inflammation. DO NOT swallow this product. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request.

Zep advocates limiting exposure to all chemical products. Wearing of tight-fitting safety glasses is recommended, if splashing may occur. If prolonged skin contact is expected, the use of natural rubber, nitrile, neoprene, or other resistant gloves is recommended. Use product in well-ventilated areas only; open windows/doors and use exhaust fans in enclosed areas. Inhalation of spray mists or concentrated vapors may cause respiratory tract irritation or slight central nervous system depression characterized by headache, dizziness or nausea. DO NOT breathe concentrated vapors or spray mist. Remove contaminated clothing promptly and DO NOT rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

SKIN: Flush contaminated skin with plenty of water for at least 15 minutes. Get medical attention if irritation develops.

INHALATION: Move exposed person to fresh air. If irritation persists, get medical attention immediately.

INGESTION: If this product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hip level to prevent aspiration (breathing) of fluid into the lungs. If affected person is conscious, give plenty of water to drink. Get medical attention at once.

DISPOSAL AND/OR SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as Zep-O-Zorb or Zep Super Sorbent, and deposit in a sealable container. Rinse area well with water.

COMBUSTIBLE: Keep away from heat, spark, open flame or any source of ignition.

STORAGE: Store tightly-closed container in dry area at temperatures between 40° (4°C) and 120° F (49°C). DO NOT store at temperatures below 32° F (0°C). Keep this product away from food and food products.
