AIR FAIR CONCENTRATED LEMON™ Room Deodorant and Air Freshener

DESCRIPTION

An environmentally friendly, water-based deodorant that contains a concentrated, highly effective blend of odor neutralizing and masking agents, which impart a nice, lemon fragrance to the treated area.

FEATURES

- Concentrated
- Environmentally Preferred
- Long-lasting Action
- Pleasant Fragrance
- All Purpose
- Highly Effective
- Deodorant Boosters

BENEFITS

- This product is concentrated to offer high volume of ready-to-use product for low cost per gallon. It should be diluted 1:20, (6 ounces per gallon of water)
- This product is part of the Zep Green Link line. It is non-corrosive, and contains no phosphates or carcinogens.
- Keeps working, often several days or more in certain applications.
- Deodorizes effectively without leaving a heavy fragrance of its own.
- Eliminates odor from stale cigarettes and cigar smoke, body wastes, food spillage, garbage, cooked foods, perspiration, pets, and fire damage.
- Chemically deactivates source of many malodors to provide positive long-term odor control.
- One or two ounces of diluted solution added in mop bucket or carpet shampooer solution tank will impart a pleasant fragrance to the area being cleaned.

Note: Do not spray on or allow contact with plastic surfaces such as dashboards, door panels, or instrument lenses as damage may occur. DO NOT add to rinse wax, sealer wax, or drying agent.

APPLICATIONS

Dispensed as a fine mist using a hand sprayer such as the Model 6400.

AIR FAIR LEMON CONCENTRATE

<<<gallons>>>

Zep Air Fair is a pleasant, powerful, and enduring odor neutralizer that chemically counteracts the source of malodors, such as cigars and cigarettes, animals, body wastes, garbage, food spills and cooking odors, and even fire-produced odors; whether poured into cleaning solutions, sprayed or squirted.

DIRECTIONS:

Product is highly concentrated and **MUST BE** diluted before using. Pre-dilute at a ratio of 1 part product to 20 parts water. **NOTE:** Care should be exercised in applying solutions to fabric, drapery, plastic, upholstery or carpet, since some materials are water-sensitive. Test on a small inconspicuous area before using.

AUTO INTERIORS: Spray approximately one ounce of diluted solution under front seat of vehicle to provide long-lasting odor control.

SPRAY IN: Restrooms, lobbies, closets, locker rooms, storage areas, hospital rooms, hotel and motel rooms, air conditioning filters and ducts, elevators, kitchen and dining areas, and meeting rooms.

SQUIRT IN: Garbage compactors, disposals and cans, cigarette urns, dirty linens, toilets and urinals, bed pans, cabinets, sink traps, and floor drains.

POUR IN: One or two ounces into mop bucket rinse water or carpet cleaning solution tanks.

WARNING!

FLAMMABLE
CAUSES EYE IRRITATION

Can cause eye irritation or inflammation. Inhalation of spray mists may cause respiratory tract irritation. **DO NOT** swallow this product. Avoid direct inhalation of spray mists. Exposure may aggravate existing respiratory disorders.

Zep strongly recommends wearing safety glasses, especially when wearing contact lenses. The use of natural rubber, nitrile, neoprene, or other resistant gloves is strongly recommended. Remove contaminated clothing promptly and Do Not rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

SKIN: Wash affected skin immediately and thoroughly with soap or mild detergent. Consult a physician if irritation develops.

INHALATION: Move exposed person to fresh air. If irritation persists, get medical attention immediately.

INGESTION: If product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration (breathing) of liquid into the lungs. Get emergency medical attention immediately.

FLAMMABLE: KEEP AWAY FROM HEAT, SPARKS, OPEN FLAME, OR ANY SOURCE OF IGNITION.

STORAGE: Store in a cool area away from direct sunlight. Keep container tightly closed at all times when not in use to decrease evaporation of volatile liquids.

DISPOSAL AND/OR SPILL INFORMATION: If this product is spilled or contaminated and cannot be used, absorb product on an inert absorbent material and send to landfill, or flush material with water to sanitary sewer.
