PRODUCT SPECIFICATION REPORT

POT & PAN High-Foaming, Liquid, Hand Dishwashing Detergent

DESCRIPTION

A concentrated environmentally preferable, phosphate-free, pleasant lemon-scented, hand dishwashing detergent

FEATURES

- Versatile
- Hard Water Tolerant
- Economical
- Environmentally Preferable
- Controlled pH

BENEFITS

- Can be used on all surfaces not harmed by water
- Performance is unaffected by water hardness. Rinses freely and leaves no hard water film.
- Concentrated; can be used in varying dilutions
- All detergents used in the manufacture of this product are biodegradable. Contains no phosphates
- Contains no harsh or irritating alkali, providing a neutral pH

APPLICATIONS

Recommended for dishes, glassware, utensils, and pot and pan washing in:

Eating & Drinking Establishments
Supermarkets

Delis
Bakeries

Cafeterias
Butcher Shops
