SOLID WAREWASH DETERGENT

Heavy Duty Solid Warewash Detergent

ProVisions Solid Warewash Detergent is a highly alkaline solid detergent designed for use in all water conditions and helps prevent the formation of scale on machine surfaces and on cleaned dishes and glasses. The fast acting alkali source solubilizes food soils for easy removal. Low-foaming surfactants reduce surface tension for easier penetration of food soils and provide for easier rinsing. Packaged in a unique dispenser jar designed for ease of use.

DIRECTIONS:

THIS PRODUCT IS HIGHLY ALKALINE. DO NOT USE ON ALUMINUM, SILVER PLATE OR PEWTER. Remove cap and invert canister so that screen surface is pointing downward into dispenser. Turn machine on so that water will feed the dispenser unit and dissolve product into the dish washing machine. Water temperatures feeding the dispenser unit should not exceed 150°F. Maximum results are obtained when wash temperature is maintained at 140-150°F. If water temperatures are too low, fat soils are not softened and cleaning efficiencies will decrease. If water is too hot, soils may become flash dried to the kitchen-ware, thus making it difficult to remove.

DANGER!

CAUSES EYE & SKIN BURNS

Causes eye burns and can cause blindness. Causes skin burns. Inhalation of dust may produce irritation or corrosion of respiratory tract. Ingestion may produce irritation or corrosion of the gastrointestinal tract. Avoid contact with eyes, skin and clothing. DO NOT swallow this product. Avoid breathing dust. Repeated exposure can have cumulative effects. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request from your employer.

Zep advocates limiting exposure to all chemical products. Wear splash-proof safety goggles during product use and when eye contact is possible. Wear nitrile, neoprene, natural rubber, or other resistant gloves. Use product in well-ventilated areas only; open windows/doors and use exhaust fans in enclosed spaces. Remove contaminated clothing promptly; DO NOT rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

SKIN: Immediately flush affected skin with plenty of water for at least 15 minutes. Get medical attention immediately.

INHALATION: Move affected person to fresh air. Flush mouth and nasal passages with water repeatedly. Get medical attention if irritation persists.

INGESTION: If this product is swallowed, DO NOT induce vomiting. If affected person is conscious, give plenty of water to drink. Get medical attention at once.

DISPOSAL AND/OR SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, pick up and deposit spilled material in a sealable, D.O.T. specification container for disposal as a hazardous waste. Rinse area well with water.

STORAGE: To seal out moisture and prevent hardening of product, keep container tightly closed when not in use. Store in a dry area at temperatures between 40°F (4°C) and 120°F (49°C).

KEEP OUT OF REACH OF CHILDREN FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY NOT FOR HOUSEHOLD USE OR RESALE

PRECAUTION:

AL USUARIO: Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente. **(TO THE USER:** If you cannot read English, do not use this product until the label has been fully explained to you.)

This product is designed exclusively for industrial and institutional use by trained, professional maintenance personnel. Label directions and precautions must be followed exactly. Zep Inc. will not be responsible for any injury, loss, or damage if product is used in any manner not in compliance with label directions, or if precautions are not observed.
