

PRODUCT SPECIFICATION REPORT

Zep 45 Dual Force is a superior dual-action penetrant and lubricant that doesn't compromise one for the other.

Zep® 45 DUALFORCE

PROD. #3745

Superior Dual-Action Penetrant and Lubricant Liquid

FEATURES/BENEFITS:

Patent Pending Formula	Zep 45 Dual Force features the newest in anti-wear and rust preventative technology to create the ultimate multi-purpose lubricant and penetrant with PTFE
Non-Offensive Odor	In field test surveys, 8 out of 10 users preferred the new odor of this product, as compared to other products
Defends Against Corrosion	This product offers excellent resistance without diminishing its penetrant properties. Prolongs the useful working life of all machinery and reduces down time and maintenance cost
VOC Compliant	At a VOC content in the tenths of 1% range, this product meets all current VOC regulations and maintains compliance for upcoming regulations, as well
Multi-Functional	Zep 45 Dual Force gets in and quickly starts working to provide optimal lubrication, superior penetration, dramatically reduced friction and wear, excellent corrosion resistance and rapid moisture displacement

APPLICATIONS:

Excellent for lubricating and protecting most equipment. Use Zep 45 Dual Force before assembling equipment to speed up work and prevent future corrosion. For use in: Automatic Vending Machines, Lumber & Other Building Material Dealers, Repair Services, Hotels & Motels, Metal Fabricators, Sports & Recreation, Industrial Machinery Manufacturers and Repair Facilities and Office Machines.

COMPANION PRODUCTS:

Elec II Plus, Rust Remover, Cold Galvanize, Ironclad, Dyna 143, Big Orange, Soy Response (GreenLink)

SPECIFICATIONS:

Physical Form	Liquid
Color	Straw
Odor	Mix of petroleum and banana-like
Shelf Life	1 Year Minimum
D.O.T Shipping	Consumer commodity or Limited quantity
Flammability	Non-Combustible

PACKAGING:

4 x 1 gallon/case
