ZEP CERTEZA™

Concentrated RTU Grout Cleaner

PROD.# 5048
604A

DIRECTIONS FOR USE:

Spray on tile grout and let stand for one minute. Scrub grout with a brush. Rinse area clean with water. **Warning:** Not for use on highly polished metal bath fixtures. Promptly remove any product over spray by rinsing thoroughly with fresh water.

DANGER. CAUSES EYE AND SKIN BURNS AND CAN CAUSE BLINDNESS. HARMFUL IF SWALLOWED. MAY CAUSE RESPIRATORY TRACT IRRITATION.

DO NOT allow product to contact skin, eyes, or clothing. DO NOT breathe vapors or spray mist. Inhalation of vapors or spray mist can cause respiratory tract irritation. DO NOT swallow this product. Repeated exposure can have cumulative effects. Further information on the effects of over-exposure is included on the Material Safety Data Sheet, which is available upon request from your supplier.

Zep advocates limiting exposure to all chemical products. Wear splash-proof safety goggles during product use and when eye contact is possible. Wear nitrile, neoprene, natural rubber, or other resistant gloves and alkali-resistant, slip-resistant footwear, also wear a face shield and rubber apron whenever splashing can occur. Remove contaminated clothing promptly and DO NOT rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:
EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.
SKIN: Immediately flush affected skin with plenty of water for at least 15 minutes. Get medical attention immediately.

INHALATION: Move exposed person to fresh air at once. Get medical attention immediately. **DO NOT** induce vomiting. If affected person is conscious give plenty of water to drink. Get medical attention at once.
DISPOSAL AND/OR SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should

be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as Zep-O-Zorb or Zep Super Sorbent, and deposit in a clean, sealable D.O.T. specification container for disposal as a hazardous waste. Rinse area well with water.

STORAGE: Store tightly closed container in dry area at temperatures between 40°F (4°C) and 120°F (49°C).

KEEP OUT OF REACH OF CHILDREN FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY NOT FOR HOUSEHOLD USE OR RESALE

This product is designed exclusively for industrial and institutional use by trained, professional maintenance personnel. Label directions and precautions must be followed exactly. Zep Manufacturing Company will not be responsible for any injury, loss, or damage if product is used in any manner not in compliance with label directions, or if precautions are not observed.
