Eco-Friendly Extraction

Lemongrass Carpet Extraction Solution Concentrate

Designed to work best in hot water extraction equipment, this environmentally preferred concentrate easily removes soil – and helps protect carpet from future staining. It's safe for stain-resistant treated carpets and leaves behind a light lemongrass fragrance.

Benefits:

- Designed for use in hot water extraction and bonnet cleaning
• Helps prevent further staining
• Leaves no residue
• Low-foaming action designed for new generation fibers

Applications:

- Schools
• Office buildings
• Cleaning services

Directions for Use:

Directions vary widely depending on application method. See label for proper directions.

GreenLink™ is a trademark of Zep® Inc. and not a third party certification. GreenLink™ identifies those products meeting Zep Inc.'s own standards for environmentally preferable products that, among other product-specific criteria, do not contain chlorine bleach, ammonia, ozone depleting ingredients, carcinogens, "butyl" solvent, chlorinated solvents, APE's (Alkylphenol Ethoxylates), reproductive toxins, heavy metals, and phthalates.
