Extra Help For Problem Areas

Carpet Pre-Treatment Solution

Spray this ready-to-use carpet cleaning formula on difficult stains before shampooing carpet to give you extra cleaning power on heavily soiled areas. Its low foam formula will not disrupt extraction carpet cleaning – and it's safe to use on stain resistant treated carpets.

Benefits:

- Concentrated neutral pH formulation
- For use on spots, stains and high traffic areas prior to cleaning
- Effective on tough soils
- Will remove iodine stains

Applications:

- Schools
- Office buildings
- Cleaning services

Directions for Use:

Vacuum carpet thoroughly. Apply as a wetting spray to soiled area. Allow at least 5 minutes for product to penetrate. Shampoo carpet. Finish pile with pile lift brush. Protect furniture legs until carpet has dried. When a carpet machine is used, simply add product to empty solution tank. Then, holding the wand above the carpet 18 to 24 inches, spray product over the traffic lane.
