Higher Gloss, Lower Labor

Z-Tread High Solids Floor Finish

Get the gloss you're going for faster with this top-of-the-line, high solids floor finish. Designed to provide a consistent high gloss with fewer coats, this durable, 25% solids floor finish continues to provide a wet look with biweekly ultra high speed burnishing.

Benefits:

- High solids formulation for quick build
- High gloss "wet look" finish
- Resists scuff and heel marks
- Excellent rebound ability

Applications:

- Restaurants
- Grocery stores
- Airports
- Schools

Directions for Use:

For best results, strip floor of all old finish using Z-Tread Heavy-Duty Floor Stripper. Rinse thoroughly. Apply 4 thin coats of Z-Tread High Solids Floor Finish. Allow floor to dry thoroughly between coats; 30 to 45 minutes under normal conditions. If sealer is desired/required because of the porosity of the substrate, apply 2 coats of Z-Tread Floor Sealer and 3 coats of Z-Tread High Solids Floor Finish. Product is maintained by frequent dust mopping and daily damp mopping. Keep floor free of dust or other foreign matter or films. Maintain by dry burnishing with a beige pad and an ultra high-speed burnisher. Optimum results are obtained if burnished once per week as needed. Z-Tread Burnish restorer should be used once a week to enhance burnish response.

Base Code: R037
