Stop Germ Spread

Alcohol Hand Sanitizing Gel

This environmentally-friendly, alcohol-based hand sanitizer effectively controls harmful microorganisms and helps prevent the spread of germs. For use in food plants, restaurants and food service areas.

Benefits:

- Formulated for use without water or towels; no rinsing required
• May be used repeatedly throughout the day without irritation

Applications:

Used as a supplement to regular hand washing. Works well in the following facilities:

- Healthcare facilities • Emergency service vehicles
• Portable sanitation units • Municipalities
• Police & fire departments • Lodgings • Daycare centers

Directions for Use:

Dispense Alcohol Hand Sanitizing Gel into palm of hand. Rub hands together, allowing gel to contact all areas, especially around the nails and cuticles. Continue rubbing vigorously until hands are dry. No rinsing or towel drying is required.

GreenLink™ is a trademark of Zep® Inc. and not a third party certification. GreenLink™ identifies those products meeting Zep Inc.'s own standards for environmentally preferable products that, among other product-specific criteria, do not contain chlorine bleach, ammonia, ozone depleting ingredients, carcinogens, "butyl" solvent, chlorinated solvents, APE's (Alkylphenol Ethoxylates), reproductive toxins, heavy metals, and phthalates.
