

Power of Citrus, RTU Strength

Citrus Cleaner RTU

This concentrated solution comes ready to use on heavy cleaning jobs. Mix with water for light to moderate soils. Removes heavy grease buildup from unfinished concrete garage floors and driveways, lawn mowers, cool engines, heavy machinery, etc.

Benefits:

- Convenient, ready-to-use formulation
- · Uses the power of citrus for tough cleaning and degreasing tasks
- · Dilutable for economical removal of light or moderate soils

Applications:

- · Automotive dealerships
- Hotels & motels
- · Schools & educational services
- Building contractors
- Municipalities
- Sports & recreation clubs

Directions for Use:

For heavy cleaning and degreasing: Use full strength on hard non-porous/non-absorbent surfaces to remove marks, but test first. Spray on surface to be cleaned. Allow to penetrate for 1 minute. Rinse with water or wipe clean with damp sponge or cloth. Do not allow product to dry on surface before rinsing. For general cleaning: Dilute 1:1 with water for general cleaning of laminate countertops, porcelain, stainless steel, chrome drip pans, fiberglass, cultured marble, ceramic tile and power tools. Clean these surfaces by applying diluted product directly to a clean cloth, wipe surface with the cloth, and then remove with a separate water-dampened cloth.

Base Code: R178

Companion Products:

	Base Code
Electrical Contact Cleaner	R108
Liquid Laundry Detergent	R110
Foaming Hand Soap	R206

Specifications:			
Physical Form	Liquid		
Odor	Citrus		
Color	Clear, Orange		
Specific Gravity	1.01		
Flash Point (TCC)	124° F		
pH	11.2-11.8		
Shelf Life	1 year minimum		
D.O.T. Shipping Label	None		

Packaging Information:

SKU	Package Quantity	Weight (lbs)	Length (")	Height (")	Width (")
R17801	12 quarts/case	28	14.20	14.00	11.30

Safety:

Please make sure you have read and understand the product label and MSDS before using this product. MSDSs are available at www.zepprofessional.com. Avoid breathing vapors, spray or

mists. Use only with adequate ventilation. Keep container closed. Wash thoroughly after handling. Wash contaminated clothing before reusing. Observe label precautions.
