Non-Chlorinated, Yet Max Strength

Brominated Solvent Degreaser

This aggressive degreasing and cleaning solvent quickly removes grease, tar, wax, gum, adhesive, solder flux, resin and lubricants. Dries quickly with no residue.

Benefits:

- Non-flammable
- Ultra-strong, ready-to-use degreaser
- No chlorinated hydrocarbons
- Fast drying and leaves no residue

Applications:

- Aircraft/marine facilities
- Automotive repair shops
- Electronic circuitry manufacturing and repair
- Electricians
- Industrial plants
- Maintenance shops
- Repair shops
- Service stations

Directions for Use:

Degreasing Small Parts: Spray or wipe product onto parts to be cleaned and wipe off with a clean dry cloth or allow to air dry. **Printed Circuit Boards or Electrical Parts Cleaning:** Dip or spray circuit boards or electrical parts and allow to air dry. Product is safe on most plastics but it is best to check initially on plastic being used. Make sure parts are completely dry before energizing circuits. **Vapor Degreasing or Ultrasonic Cleaning:** Fill unit to designated level and operate according to equipment manufacturer's instruction. Remove parts when clean and allow to air dry.

Base Code: R191
