Maximum Orange Power

Citrus Solvent Degreaser

An organic, non-petroleum cleaner/degreaser and deodorizer. Use to clean and degrease molds, dies, unpainted concrete floors, and industrial equipment. Effectively emulsifies tar and asphalt and removes many industrial glues and protective coatings. Ideal for use as a cleaner and deodorizer in drain pipes, grease traps, sewage treatment plants, rendering plants, refuse dumps, trash cans and dumpsters.

Benefits:

- Contains a natural citrus solvent and is particularly appropriate where poor ventilation is a problem
- Leaves a fresh citrus fragrance; no petroleum distillates, chlorinated hydrocarbons or chlorinated aromatic solvents
- All detergents and emulsifiers in this product are completely biodegradable

Applications:

- Cleaning & maintenance services
- Eating & drinking establishments
- Health & allied services
- Hotels & motels
- Meat packing plants
- Nursing homes & hospitals
- Sanitary services
- Schools & educational services
- Sewage systems – waste treatment plants

Directions for Use:

Use for degreasing concrete floors, greasy equipment and parts. **NOTE:** May damage some plastic, rubber, and/or painted surfaces. Test on an inconspicuous area before general use. Can also be used for graffiti removal and as a clinging degreaser. See product label for specific applications and usage directions. **Note to customers in California, Lake Michigan Air Directors Consortium & Ozone Transportation Commission States:** This product is sold to and is to be used exclusively by establishments which manufacture or construct goods or commodities.
