Industrial Hand Care

LEAVE IT
AT WORK

A close-up photograph of a hand with heavily calloused fingers, appearing to hold the large, 3D block letters of the slogan. The background is dark and textured, suggesting a work environment.

A Zep Inc Brand

PROFESSIONAL Hand Care Industrial

Professional Cleaning

PERFORMANCE

- **Degreasing Formula Power** that dissolves and captures soil
- **Abrasive Particles** increase the scrubbing force and reduce effort
- **Low Spreading Force** that covers hands and arms with less effort
- **More Efficient Cleaning** requires less product and less waste

PROTECTION

- **Smoothing, Softening** emollients and moisturizers
- **Prevents Dryness**, irritation and pain from repeated washings

PREFERENCE

- **Multiple Liquids Forms:**
 - Thick, Liquid Gel Type
 - Smooth, Lotion/Cream Type
 - Creamy Paste
- **Variety of Fragrance and Color:**
 - Dark Cherry Red
 - Organic, Cool Apple Spice
 - Crisp, Citrus Orange
 - Aquamarine, Clean Lemon Fresh
- **Choice of Abrasive Particle Types:**
 - Volcanic Pumice
 - Ground Walnut Shells
 - Spherical, Plastic Beads

Industrial Dispensing

DESIGN

- **Wall Mounted Assembly** provides 1 gallon of professional cleaning power within 1 square foot space
- **Top mounted Handle** lever action needs no fingers or palms; dispenses without contamination by soiled hands
- **Diving Pump and Ledge** provides fast, efficient replenishment of liquid gallons

DURABILITY

- **External Strength and Longevity** with anodized aluminum shell; resists cracking, breaking, and splitting
- **Internal Strength and Longevity** with stainless steel pumping action; provides decades of hassle free performance

DELIVERY

- **Adjustable Volume** with the simple turn of a screw driver; controls delivery rate and prevents hand cleaner waste
- **High Volume Capacity and Dispensing Power** delivers thick, high viscosity hand cleaners with ease
